

Serita on the road to recovery

Injured bobsleigh athlete undergoing second operation

SPORTS star Serita Shone will be home in Weymouth within two weeks if a second spinal operation is a success.

It is hoped the sporting protégé will make a full recovery after she was able

to stand following an initial four hour operation.

The 22-year-old suffered severe spinal injuries after a high-speed crash during her bobsleigh training on the Winterberg track in Germany

The parents of the Great Britain bobsleigh team member have flown to Germany to be close to their daughter as she recovers from the second operation.

The former Thomas

Hardye pupil is currently recovering in a German hospital ward bedecked with a union jack and a signed tracksuit - presents from her teammates.

She was rushed to an intensive care ward last week for the first operation on two damaged vertebrae after the bobsleigh she was in landed on top of her as she practised for the British Championships.

It is still not known if Serita will compete at the top level of her chosen sport again.

Olympic Performance Director for the bobsleigh team, Gary Anderson, said the former heptathlete was coping surprisingly well.

Speaking ahead of Tuesday's second operation, he said: "This is one tough athlete. She is totally determined to get on the road to recovery."

"She has movement in her arms and legs, however, it quite limited because she gets very tired. She's been standing up and

been for a short ride in her wheelchair.

"She even texted me to check out the result of X-Factor this weekend."

Mr Anderson said he was unable to confirm Serita's future beyond the latest operation and that getting her back to full health was the top priority.

He added: "We cannot say if she will compete again, we just don't know. Her recovery is a long, slow process and we want to make sure we get it right."

"There's lots of little milestones to achieve before we can do anything, but we will ensure she gets

the best possible help."

Serita had been chosen to join the team during a selection process in Latvia just days before the accident.

The Leeds Metropolitan University student will be finishing the dissertation for her MSc in sport and exercise nutrition during her recovery thanks to the generosity of her fellow athletes.

Serita will be given an iPad after the Netherlands bobsleigh team donated the £500 prize money from the weekend's British Bobsleigh Championships along with donations from the British team.

AS Remembrance Day approaches, we speak to John Hunt, fondly known locally as "Army John", from Lyme Regis, who served 24 years under several cap badges and travelled the world during his Army career.

Originally from the Isle of Wight, John first visited Lyme Regis after reading about the town in a novel in 1988.

He now lives here permanently and is a member of several local organisations, including the Royal British Legion Lyme Regis Branch, for which he will take over the role of treasurer later this year.

■ WHEN did you join the Army?

I first joined the Army in 1984 when I left school, aged 18. I have given 24 years coloured service, as I left before briefly, and have served in several different regiments, including the Royal Chrous Signals, the Devon and Dorset Regiment which then became The Rifles.

■ WHY did you decide to join?

I wanted to do something exciting with my life. I wanted to leave home, see the world and do something challenging.

■ WHERE were you based?

I travelled all over the world. Some of the places I was based were Hong Kong, Germany, Northern Ireland, Berlize and Iraq.

■ WHERE was the best place you visited during your Army career?

Hong Kong was my favourite place. I was young and it was a great lifestyle with lots of different people.

■ WHY did you move to Lyme Regis?

I read about it in a novel, but not "The French Lieutenant's Woman"! I hadn't heard of that. Geoffrey Household wrote "Rogue Male" and it in the hero goes to Lyme Regis. The author described it so nicely so I came here in 1988. I came for one night really and have stayed here since!

■ WHAT do you like about living in the town?

Its insularity. Everyone knows everybody else and no one can have a secret here. If you have a problem you can share it, and people usually do.

The small things which are irrelevant elsewhere are

important to everyone here, and they probably should be. I don't mind people talking or gossiping about me. It's better to be talked about than forgotten.

■ WHAT would you change if you could?

Nothing really. Maybe the attitudes of some people. For example, I think the Three Cups Hotel has stayed closed for over 20 years because of the attitudes of some people.

ple who don't want it to be anything else, and certainly not because of Palmers.

■ WHY did you join the Royal British Legion?

The army gave me a great life. I've seen a lot of my mates injured or killed and I respect the old who responded to the call of duty and sacrificed themselves in hideous wars. They did this on our behalf and I think I should be doing something on their behalf.

As old soldiers fade away, so their needs become more important, and the need for the Legion to keep going and funds to be raised never slackens.

■ WHAT are your other personal interests?

I'm groundsman at Uplyme and Lyme Regis Cricket Club, a member of St Michael's Parish Church choir and of Lyme Regis Operatic Society. I also enjoy walking, watching football and going to the pub!

■ WHERE is your ideal holiday destination?

My ideal holiday destination would be a cruise down the South Atlantic to visit all our remaining tiny posesion there.

■ WHAT would you do if you won the Lottery?

I suppose we could finish paying for the new church organ and repair the clock tower. But I have to point out that I haven't, so please donate generously!

Poppy appeal is launched

WEYMOUTH harbour was turned blood red as hundreds of poppies were thrown into the water in a poignant reminder of the town's fallen soldiers.

The event at the town bridge marked the beginning of the Royal British Legion's Poppy Appeal, now in its 90th anniversary year.

The symbolic act was in memory of fallen heroes from the First World War through to the current conflict in Afghanistan.

The event was especially poignant as the mayor and members of the RBL took a moment to remember Weymouth Marine James Wright, who was killed by a grenade while serving in Afghanistan in August.

Poppy appeal organiser for Weymouth RBL, Naomi Turner, was joined at the launch by her young granddaughters Rebecca and Katie Richens.

Mrs Turner, a poppy appeal collector for more than 30 years, said: "The RBL provides counselling and grants for ex-service men and their families and that work never stops and

■ THE Mayor Councillor Graham Winter launches the 90th anniversary poppy appeal in Weymouth

is as important now as it has ever been in our history."

Twelve-year-old Rebecca and Katie, 14, sell poppies at their school, All Saints in Wyke Regis.

Katie said: "I told my friends about it and they said it sounds cool and they liked the idea of helping. Some of them have stories of their family members who fought in wars."

The poppy appeal runs

until Armistice Day on November 11th.

Last year the appeal raised more than £36 million and has helped 10,000 serving, ex-service and family members since 2003.

Standard-bearer Leon Meter, 22, has been involved with the RBL for nine years.

The former All Saints pupil said: "I've got mates who have just gone over to Afghanistan and so I think

it's a good thing to remember our service men and women."

The Mayor of Weymouth and Portland, Councillor Graham Winter, was accompanied by his wife, mayoress Mary Jordan-Winter. Councillor Winter said it was important to remember those who had died for our country.

"Weymouth has a history of military involvement, from the navy to the army,

and still has many young people who are in the services from the town who are prepared to serve their country."

Weymouth and Portland Borough Council is hoping to create a garden of remembrance and a website said Councillor Winter, although he admitted it was still in the embryonic stage at the moment.

Downton Abbey star joins CLA 'Can't Get Online' campaign

RURAL champions, the Country, Land & Business Association, have launched a campaign designed to highlight the problems of rural areas still struggling to access broadband, and have the backing of a top television celebrity who also suffers the same problem.

The CLA's campaign 'Can't Get Online' is a counterbalance to the Government's week-long promotion running this week (from October 30th until November 6th) encouraging people to get online.

The association's aim is to ensure that every rural business and household can access a broadband connection of at least five megabits per second.

The problem, according to CLA experts, is that a fifth of rural England still cannot access even modest broadband speeds.

The campaign has already won the backing of *Downton Abbey* star, Hugh Bonneville, who plays the Earl of Grantham in ITV1's popular period drama.

Hugh lives in a village just 40 miles outside London but he says the broadband connection is "pretty pathetic" and wants infrastructure companies to give the countryside a chance.

He said: "I'd love to run aspects of my work from home; I'd love to sign up for services that stream content but the connection's just too unreliable. Some days I can't even send an email and there doesn't seem to be much I can do about it."

The week-long 'Can't Get Online' roadshow, which is sponsored by the CLA, will see IT and social media expert, John Popham, touring rural communities across England to highlight the difficulties they face in getting online.

He will be encouraging people with inadequate or non-existent broadband to find a friend with a broadband connection and sign the CLA petition calling for a minimum universal service commitment of five megabytes.

CLA South West director, John Mortimer, said: "In

today's world it is just not acceptable that broadband providers can choose to ignore rural areas.

"The Government wants us to fill in tax returns online because it's more cost-effective and schools expect children to do homework online.

"This is only possible if homes and businesses have access to superfast broadband - internet service providers must be persuaded to bring broadband 'not-spots' up to speed rather than making the already fast even faster."

People can sign the CLA petition at www.cla.org.uk/Policy_Work/Petitions

Anybody who cannot access the petition can call the CLA regional office and leave their details to be added to the petition. The CLA in the South West can be contacted on 01249 700200.

■ **MAKING THE GRADE:** Students after their pass out with their instructors (back row). Middle Row (l-r) Richard Drax MP, Councillor Pamela Nixon, Councillor Ray Banham, John Nash Dorset County Council Director of Children's Services, Councillor Ron Coatsworth, Alan Frost The High Sheriff of Dorset, Mayor of Weymouth and Portland Councillor Graham Winter, Lord Lieutenant Mrs Valerie Pitt-Rivers, Chief Fire Officer Darran Gunter

Firefighters help young people make the grade

AFTER a week-long course based at Weymouth Community Fire Station, eight young students took part in a passing out parade to celebrate their achievements in front of their families and local dignitaries.

The course, run by SPARC (Safer People & Responsible Communities), involved learning basic firefighting skills, first aid and participating in team building activities.

The students were all referred to the course through partner agencies such as schools, youth offending teams, police and learning centres.

Rosemary Locock, Dorset Fire and Rescue Service's Community Education Officer for Youth Diversion, said: "The SPARC programme has been going from strength to strength since it began in 2007. The intensive week long course has allowed these young people, and many others before them, to work hard and start to turn their lives around. The course is AQA accredited and is specifically designed to challenge and change the attitude and be-

haviour of the young people by getting them to:

- Adopt a new set of personal values
- Understand the consequences of firesetting and antisocial behaviour
- Work co-operatively with others in a team environment
- See the advantages of improving their learning and performance
- Gain self esteem and self confidence
- Improve communication skills

She added: "The project is delivered by specially trained firefighters and the main aim is to prevent young people from becoming persistent offenders or be permanently excluded from school.

"This is achieved by providing the intensive five day work experience within a disciplined and focussed team environment. Each individual student is given personal responsibility for the management and maintenance of the fire engine they use during the course, its firefighting equipment and their own personal equipment."

Top fundraisers

STAFF from Portland Young Offenders Institute have presented a cheque for a staggering £17,000 to Help for Heroes. The staff raised the money during a weekend when they left Weymouth under their 'own steam' in teams.

Prior to the weekend, the teams were expected to raise a minimum of £100 per person for the Help for Heroes charity.

The challenge was for the teams to arrive at Royal Wootton Bassett by 11 am on the Sunday, a total of 95 miles, where a poppy wreath was laid in respect of those service people who have been repatriated through Wootton Bassett.

During the weekend, the teams were expected to set themselves their own challenge i.e. visit as many churches, bridges, landmarks etc as possible in the 48 hours.

The staff undertook a similar challenge last year and have now raised a total of £46,000 for Help for Heroes.

■ **Pictured presenting the cheque for this year's efforts are officers Roger Davies (front centre), Chris Ball (back right) and catering manager Danny Terrey (front right).**

MORE than 100 children enjoyed a spooky treat at Greenhill Gardens on Saturday afternoon.

Witches, warlocks, ghouls, ghosts and pumpkins joined The Friends of the Greenhill Gardens for a special halloween themed afternoon of fun with wizard stories, a Count Duckula treasure hunt, tombola, fancy dress parade and goodie bags for all the children who had helped to paint and put up the funky fish at the far end of the garden.

Chairman Barbara Dubben, who was a witch for the day, said that the committee consisted of about 10 members. "These are beautiful gardens," she said. "And our aim is to help them stay that way. But today is just a treat for the children. There is no fundraising involved."

Fresh, bright website blooms for Weymouth florist

HAVING been in the flower business for over 25 years, Sarah Standland knew that she needed an attractive, easy to use website that allowed people to see what was on offer and to place orders without any hassle.

After a bad experience with her first website designer, the owner of Pygmalion Florist came to Digibug, (www.digibug.co.uk) where she was overwhelmed by the flexibility and capability of the small team.

"I got exactly the look and feel that I wanted for my website," said Sarah. The site, launched in May this year, includes ecommerce capability which allows customers to order bouquets online.

It is also linked to the florist's Facebook page, where her customers can get up-to-date information about workshops she's running, and exchange comments and opinions. Sarah also makes use of LinkedIn and Twitter, further promoting her business through social media.

Working with Digibug restored Sarah's faith in

website designers. Talking of Digibug Director Paul Weeks, she said: "Paul's very approachable, patient and accommodating. He goes out of his way to help."

The Pygmalion Florist website is built using a content management system, allowing Sarah to add new products and pages as she needs them. This lets her grow her site as she grows her business.

You can see the site for yourself at: www.pygmalionflorist.co.uk

Happy Halloween in the ghost tunnels

REVIVE PORTLAND: Project co-ordinator Yvonne Bevan with volunteer-Wayne Halfon

A PLACE known locally as the ghost tunnels was a very suitable venue for an afternoon of Halloween fun on Portland.

The High Angle Battery is a disused fort located at the highest point of the island. It was built in 1892 to house gun emplacements to fire on enemy ships in the bay. The tunnels were used to store the ammunition and have been empty for many years.

Revive Portland project co-ordinator Yvonne Bevan and a group of community volunteers

hard to clear out, open up and decorate the tunnels with a spooky theme.

Young visitors on the day were kept entertained by a treasure hunt, birds of prey, live music and a replica of the Portland sea dragon, based on the books by Carol Hunt and brought to life by Steve Moverley and Lorna Jacobson. Later in the day the dragon was to lead a Halloween parade to Boscawen.

Old skills for modern times

□ **ALL THE OLD SKILLS:** Robert Fielding running his forge in a modern way

TIME was when almost every village had a forge but those days are a fiery memory.

One person helping to keep tradition alive is Robert Fielding who opens his forge at Langton Herring every Sunday.

Projects in the Park District

WEYMOUTH'S Park Centre in Chelmsford Street will be holding a Give and Take morning on Saturday, November 5th.

From 9am-10am people can bring any unwanted items except electrical goods to the centre before a two hour event from 10am-noon when people can take any of the items away, free of charge.

On Wednesday, November 9th the Park Centre is staging an open meeting at 7.30pm to discuss Art in the Park, an exciting project led by students at Weymouth College to produce art in various places around the Park District.

Some funding is available from Magna Housing, but people are being encouraged to go along to the meeting to if they would like to help with funds, ideas or designs.

He said: "I have been here for three years and I hope to be here for many more."

Robert is only a part-time blacksmith at the moment but his goal is to make it a full-time occupation.

He certainly has the skills and makes everything from toasting forks and candle holders to bird feeders, garden obelisks and even the occasional gate.

Robert said: "I hope to specialise more in the artistic side, the one-off pieces that you can't get anywhere else, the keepsake pieces rather than horseshoes and ploughs which were originally some of a blacksmith's main work."

"Blacksmiths have had to temper what they do to fit in with modern times and, as agricultural demands wane, we have had to seek out new markets.

"I feel the decorative side offers scope for growth and that's what I am concentrating on."

He has the right sort of rural credentials since he is the son of Martin, a retired vet of Weymouth's Fielding & Cumber practice, and of Sally who is an expert dry stone waller.

People can make their own minds up as to Robert's talent as he will be appearing at Martinstown Christmas craft and gift fair on November 20th from 10.30am-3.30pm at Martinstown Village Hall.

Man found dead near multi-storey car park

A BUSY Weymouth road was sealed off after the body of a man was found by the town's multi-storey car park.

The man, who police believe was in his 40s and from Weymouth, is thought to have fallen from the building.

Officers received a report that a seriously injured man had been found near the multi-storey on Commercial Road at 6.53am on Monday.

Paramedics attended and the man was pronounced dead at the scene. Next of kin and the coroner have been informed.

Detectives from Weymouth CID are now trying to piece together what happened.

A Dorset Police spokesman said: "We are appealing for anyone who saw a man on or near the multi-storey car park from around 6am that morning to call police urgently on 101."

Pond death tragedy

A TWO-year-old boy has tragically died after falling into a pond at Chickerell.

Billy Griffin was found shortly after he went missing from his home in the village.

A frantic search by family members and a large number of emergency service personnel ended when the toddler was found in a garden pond near West Street.

He was taken to Dorset County Hospital in Dorchester but was later pronounced dead.

The youngster was later remembered in prayers at

St Mary's Church, Chickerell, while police said the death was "a tragic accident" and was not being treated as suspicious.

Bluebird Care Opens Weymouth Office

B LUEBIRD Care, the UK's leading provider of care at home, has opened a new office in Lynch Lane, Weymouth.

Bluebird Care Weymouth & West Dorset provide bespoke packages of care in the home to older people or adults with a physical disability in the Weymouth & Portland, West Dorset and Purbeck areas.

Bluebird Care offers everything from personal care to shopping, cleaning or social visits. Bluebird Care works with their customers to form a package of care that enables them to stay within the comfort of their own homes. With visit times ranging from 15 minutes right up to 24-hour live-in care their packages are flexible enough to ensure that each customer receives exactly the care that they require. Staff are caring, police checked and are available to provide care visits within the community.

The Weymouth and West Dorset office is owned and run by the partnership of Joanne McMahon and Chris Scriven who decided to launch their business out of an overriding desire to improve the lives of vulnerable people within the local community. As local people, Joanne and Chris were critically aware of the need for a quality care at home provider to open its doors in the area in order to promote choice for those in need of care.

Director, Chris Scriven, said: "We are delighted to be bringing Bluebird Care's quality care at home provision to the Weymouth area. Research has identified that older people would prefer to remain in their own homes and Bluebird Care provides a flexible and affordable alternative to residential care. Our care manager, Debbie Collinson, has

worked hard to assemble a team of dedicated and committed care workers who are anxious to make a real difference to our customers' lives."

Co-Director, Joanne McMahon, said: "At Bluebird Care we are true believers in the value of independence. For us, care at home is about doing things with our customers and not just doing things for them. We aim to attend to every detail to ensure that our customers live their lives as fully as possible."

Bluebird Care are always looking for dedicated carers to join their growing team, if you would like to have a rewarding career and enable people to live life to the full then please contact Debbie Collinson on 01305 230770.

The Christian Column

AS I SEE IT ...

by Geoff Treleven

Guy Fawkes

WITH all the excitement of fireworks and bonfire parties, we may give little thought to the origins of what we are celebrating. Having just read up some of the history of the occasion, I am sorry to say it has a lot to do with religion. But it has little or nothing to do with the biblical definition of pure religion.

Plotting to assassinate the king and his government on the occasion of the opening of parliament is far from a Christian attitude. On the other hand, the punishment meted out to the perpetrator is nothing to be proud of. The religious reasons for such extreme actions are a blot on our history.

Both sides of such behaviour are far from real Christianity. Guy Fawkes and other conspirators had terrible far-reaching plans if they had succeeded. But having failed, Guy's ultimate fate was horrific to say the least.

As we recall what happened in the year of 1605, it is good to compare it with scripture. "He has showed you, O man, what is good. And what does the LORD require of you? To act justly and to love mercy and to walk humbly with your God." (Micah 6:8)

■ STEVE Nuttall's Groom Lane test facility, Area 51. layout

ORGANISERS of this year's model train exhibition are chuffed with its success.

The Weymouth Model Railway Association's show was the biggest and best for years as exhibitors and visitors flocked to the event.

A combination of more layouts and a larger variation of trade stands had the crowds entertained during the two-day annual event at Wey Valley School.

Phil Dawling helped manage the event with Dave Samuel.

Mr Dawling, 68, has been a model train enthusiast since he was seven-years-old.

The former Operational Support Grade worker at the Verne said: "It went very well with a very, very good attendance."

"It was much better than previous years because I think the advertising was better this year and also we normally put on 16 lay-outs and we put on 26 this year."

"We had a lot of comments from the public saying it was a good show so it's not just us saying it was good. We've had lots of very good feedback."

He added: "The highlight for me was that everybody was happy and thought it was a success, so I'm happy about that."

The association meets on Monday nights from 7-10pm at the Upwey and Broadway Memorial Hall.

New members are always welcome and can drop into a meeting or call David Riches on 01305 784672.

Happy Halloween!

■ ASDA colleagues in Weymouth hosted a party for children on Friday as part of the store's Halloween celebrations.

Staff transformed the in-store café into "Monsterville" using Halloween decorations from the shop floor. The store also gave away special spooky treats, goodie bags and put on a series of activities for children which included pass the parcel and face painting. Children also had the chance to fill in fun activity sheets which they took away with them.

Families were invited into the Newstead Road store on Friday from 2pm until 6pm to take part in the celebrations.

Andy Felix, store manager, said: "Halloween is becoming increasingly popular in Weymouth so we wanted to stage our own party for children in the area."

■ THE Nothe Fort's Halloween event "Bedlam and Broomsticks" brought hundreds of children and their families to Weymouth to take part in activities such as wand making, apple dunking and spell writing.

Adults and children were able to have their faces painted, make their own spiders and, if they wished, be guided through the haunted tunnels of the Fort by Wanda the Witch, always on the lookout for the the evil, masked figure of the Undertaker!

Pictured above are all of the winners of the Halloween costume competition together with Wanda the Witch and The Undertaker.

PORTLAND Museum's new mascot, "Bartholomew Bat" was not left wanting for party guests when he celebrated his launch party on Friday, October 28th.

The museum was packed with children and their families who had come to enjoy a day filled with exciting Halloween activities.

Bartholomew's friends were playing hide and seek all around the museum, so children set off with a quiz sheet to find the skeletons, rats and witches lurking throughout the ancient cottages. There were lots of hands-on arts and crafts, including the chance to make a bat, a ghost and a scary mask.

A table full of Halloween inspired party cakes to eat also kept children and their families in the party spirit.

Museum manager, Lisa Gravett, said: "The day was a resounding success and a fabulous finale to what has been a very successful year for the museum."

"We were so pleased to see so many children flocking through the door throughout the whole day enjoying the activities and the wonderful atmosphere which the museum has."

"I would like to thank all our wonderful volunteers for their amazing effort preparing for the event as well as all our visitors, many who have returned time and again to support the wonderful events which we hold here for children and their families."

DURING NOVEMBER each year, Movember is responsible for the sprouting of moustaches on thousands of men's faces in the UK and around the world. The aim of which is to raise vital funds and awareness for men's health, specifically prostate cancer and other cancers that affect men.

On November 1st, guys register at Movember.com with a clean-shaven face and then for the rest of the month, these selfless and generous men, known as Mo Bros, groom, trim and wax their way into the annals of fine moustachery. Supported by the women in their lives, Mo Sistas, Movember Mo Bros raise funds by seeking out sponsorship for their Mo-growing efforts.

Mo Bros effectively become walking, talking billboards for the 30 days of November and through their actions and words raise awareness by prompting private and public conversation around the often ignored issue of men's health.

At the end of the month, Mo Bros and Mo Sistas

celebrate their gallantry and valor by either throwing their own Movember party or attending one of the infamous Gala Partés held around the world by Movember, for Movember.

The Movember Effect: Awareness & Education, Survivorship, Research

The funds raised in the UK support the number one and two male specific cancers - prostate and testicular cancer. The funds raised are directed to programmes run directly by Movember and our men's health partners, The Prostate Cancer Charity and the Institute of Cancer Research. Together, these channels work together to ensure that Movember funds are supporting a broad range of innovative, world-class programmes in line with our strategic goals in the areas of awareness and education, survivorship and research.

To find out more information all about Movember please visit www.movember.com

Movember (the month formerly known as November) is a moustache growing charity event held during November each year that raises funds and awareness for prostate cancer. Visit www.movember.com for full details.

GENERAL RULES FOR MO GROWING

These rules are for all Mo Bros to abide. Breaking of these rules constitutes disqualification from official entry and judging for the 'Man or Movember' at the Mo Party.

1. Once registered at movember.com, each Mo Bro must begin with a clean shaven face.
2. Then, for the entire month of November each Mo Bro must grow and groom a moustache.
3. There is no joining a the sideburns, this is a beard.
4. There is no joining of the handlebars to your chin, this is a goatee.
5. Each Mo Bro must conduct himself like that of a true gentleman.

HOW TO GROW A MOUSTACHE

1. Ask yourself the question, who do you want to be? For every style of moustache there is a different personality. You will be become that man, you will be treated like that man and you will act like that man. Make sure you know who he is.
2. Be brave. The first few days, even weeks can be uncomfortable and a little awkward as your face goodness grows and your Mo takes shape. Focus on the end game.
3. Ignore the itching. Remind yourself that other men have endured far worse in the past; surely you can stand a little face tickle from your Mo.
4. Start to shape your moustache using proper grooming techniques. A great Mo comes down to grooming.

HOW TO GROOM YOUR MOUSTACHE

1. Shampoo regularly. As becoming as they are, moustaches collect thing and no matter how fine the food, it doesn't belong in your Mo.
2. Moustache hair is coarse and benefits from regular conditioning. Massage your Mo with a dollop of conditioner then rinse thoroughly. It will make it softer to touch to both you and your intimate friends.
3. Use hot face washer to steam and cleanse the skin under your moustache that can suffer from drying and itching. For the modern gentleman, out of sight does not mean out of mind.

NOTABLE GENTLEMEN WITH MOUSTACHES

1. Tom Selleck.
2. Frank Zappa.
3. Lionel Richie.
4. Freddy Mercury.
5. Salvador Dali.
6. Albert Einstein.
7. Charlie Chaplin.
8. Burt Reynolds.
9. Ian Botham.
10. You, the modern gentleman.

Mo Rogues!

Last year the men of the View From office got involved and grew moustaches for Movember - Prostate Cancer Awareness. Why not raise some money with your colleagues or friends this year and grow your moustache for charity!

The **View From Newspapers** are glad to support Movember and help raise awareness for Prostate Cancer.

Weymouth Matters

A personal View by HARRY WALTON

A roof raising comment

LOCAL knowledge can be a very soothing thing but a house buyer found themselves a bit on edge when their new home attracted comment from a neighbour.

They hadn't long been there when an elderly man living opposite their new home hailed them and said they'd made a good buy.

Gratified they smiled their thanks, but they weren't smiling quite so much at his next remark.

He said: "Beautiful homes those and very well built. A German bomb landed nearby during the war and it blew the roof right up in the air but it landed right back on again!"

Can't beat that, but I did produce memories of an even earlier time when I unearthed a Royal Flying Corps cap badge while digging our garden for the first when we bought our current home.

A little bit of fiddle does you good!

I SUPPOSE I've read hundreds of millions of words in my lifetime, but I came across a new one at a local farm.

Fiddle has a sort of rural ring to it and the only reason I didn't make the mistake of assuming it was some derivative of "fiddle faddle" meaning something trivial was because I was reading it on a menu and so assumed quite rightly that it must be something to do with food.

It'll all turn out all right in the end

POWER bills stir up powerful emotions or they did for at least one Weymouth resident.

He was valiantly trying to get his head round solar this, solar that and solar the other and the figures just didn't jell because he liked the idea but couldn't really afford to buy panels outright.

So the offer of free installation and the strong likelihood of free electricity for life based on a company footing the bill but getting his roof as a site seemed pretty good and he signed up. Then came the installation.

A date was set and he waited with interest...only to get a call saying could they

Americans know it as a form of popcorn or even another name for a hotdog, but this was Dorset and I'd never come across the word being used before.

Neither had my father who, at the age of 92 and with more than 60 years in journalism behind him, was equally intrigued by this word - so we asked what it meant.

The reply we got took the form of a finger pointed at a tray containing some type of meat

dish.

That, we were told, was fiddle, a mix of minced pork seasoned with herbs pressed into a rough roll shape with a slice of streaky bacon wrapped round it.

In all honesty I can't say it is likely to crop up very often in my conversation - but it is going to crop up in my kitchen, perhaps as a pre-Christmas treat.

That's all right then.

Sadly there was also confusion with the installers who also turned up but that was ironed out and a dual mutually agreeable date to cater for both scaffolders and installers was agreed. Just one problem.

The scaffolders were coming from Southampton and the fitters from Brighton!

So if all this extra expense was just casually being written off, the man wondered how hard he could have pushed the margins before the company said it was not profitable for them...clearly at least £1,000 based on wasted petrol and man hours!

Working in two places at once

SOME councillors are busier and more hard-working than others, but surely no member on the Weymouth and Portland authority can come close to Councillor Robbie Dunster - at least according to the council.

A recent planning committee meeting had barely started when Robbie dived in to correct a mistake in the minutes of an earlier meeting.

Some might say it was only a minor discrepancy and perhaps didn't need pointing out but the issue at stake meant everything to Robbie.

You see, the minutes recorded that he attended the meeting but also that he gave his apologies and wasn't there!

It goes a long way towards explaining how councillors convince us that they work so hard they sometimes feel they're in two places at the same time.

Christmas Parties...

Worried about what to wear to your work Christmas meal?

OH NO, it's the work's Christmas party coming round again and the stressing about what to wear has started already. This anticipated event needn't be such a headache as long as you follow a few tried and tested rules.

A little clichéd but always a safe bet is the little black dress. Pick a high-necked one if you are flat chested and a scoop or V-neck if you have a larger bust. Make sure the length of your dress is just below the knee,

add some pretty jewellery to show your personality, and you have an outfit that will be great for most work gatherings.

It may be obvious but if you are having a sit down meal, make sure that your neckline is not so low that anyone standing behind you can see all the way down. If you are unsure, a little camisole top underneath your dress can save any embarrassment.

Even if you know the dress code has been described as 'ca-

sual', this still does not mean jeans and trainers. It is always worth asking a couple of your work colleagues who always dress well in the office what sort of outfit they will be wearing. This can give you an idea how smart you need to be.

This is your chance to get to know your work colleagues and impress your boss. So eat, drink (but not too much!) and be merry.

Chris Rudge Renewable Power Systems

CHRIS Rudge Renewable Power have expanded their range of green generation products to keep up with the ever increasing demands of their customers. As well as keeping REC, Sanyo, Kyocera and Suntech Solar

PV modules as current stock at the Seaton warehouse, they have now obtained MCS approval for Small Wind Turbines (up to 25kW) and Solar Thermal, offering expert site surveys and design.

New lower Solar PV installation costs for 2011 have proved to be popular, especially as this is last year the Feed in Tariff (FIT) will be at the current higher rate. From next April, the FIT will be going down for new installations. Anyone having an

installation this year will benefit from the current index linked payment for the next 24 years.

Solar PV systems can now be fully installed from around £6830 for a 2.2kWp system and £12,080 for a 3.84kWp, and all systems now come with full insurance backed 10 warranties as standard. Chris Rudge Renewable Power Ltd also specialise in self contained 'off grid' battery systems for sites that do not have a mains grid connection. These systems are tailor made for each installation, from a remote shed to a complete house or business installation.

For any Renewable Energy requirements you may have, call Chris Rudge Renewable Power on 01297 306114 or go to the website at www.chrisrudge.co.uk

www.ace-energy.net

DORSET'S own award winning Ace Energy are the leading suppliers of solar power. Recently they have installed solar at a number of homes within Dorset. With the average electricity bill being around £600 yearly, installing solar on your roof can reduce that bill by up to 50% and provide home owners and landlords with a healthy profit. This is due to the Feed-In Tariff scheme which pays premium rates for power generated from solar power - Dorset households on the scheme are now earning over £850 every year. The tax free, inflation-proof payouts are designed to protect the UK from ever-rising energy prices and help lower carbon emissions. You may have noticed an increase in the amount of roofs proudly showing off their solar panels recently and according to Alan Seviour, Ace Energy's MD, solar has never been more popular.

With interest rates at an all time low investment savvy householders are looking for alternative ways to earn money and solar power offers just that.

Folk icon Julie Felix comes to Bridport

FOLK icon **Julie Felix** will perform at Bridport's Electric Palace on Friday, December 2nd. With her striking looks and with the phenomenal energy that she exudes on stage it's hard to believe that Julie was born in 1939.

Julie left her home in California in the early 60s, hitch-hiking throughout Europe with just a duffle bag and her guitar. After living on a Greek island where she met and performed with another newcomer by the name of Leonard Cohen, Julie arrived in England in 1964. Within a few months she became the first solo folk artist to be signed to a major British record company when Decca released her first album, *Julie Felix*, and a single, *Someday Soon*. That same year Julie appeared on the Eamonn Andrews TV show, and was asked back the following week by popular demand.

In 1965 she headlined the Royal Albert Hall, becoming the first British-based folk singer to fill London's top venue, prompting *The Times* to declare her "Britain's first lady of folk". In 1966 Julie became the resident singer on the amazingly popular TV show *The Frost Report*, quickly becoming a household name.

Brian Epstein, The Beatles manager, booked Julie in 1967 to top the bill with Georgie Fame for a two week engagement at London's Saville Theatre, supported by a newcomer named Cat Stevens. In 1968 she was given her own TV series - the first colour series produced by the BBC. Guests included Leonard Cohen, Jimmy Page, Donovan, Dusty Springfield, Spike Milligan and Richard Harris. Her late 1960s recordings included *Going to the Zoo*, a collection of children's songs on Fontana Records.

In 1970 her series was moved from BBC2 to BBC1, and Julie was signed by hit-maker Mickie Most, becoming the first artist to have a hit on the RAK label with her version of Paul Simon's *If Could* ('El Condor Pasa'). In 1974 Julie signed with the EMI label and recorded the album *Lightning*, touring Japan, Australia and New Zealand. In the late 70's she moved to Norway where the title track of her 1976 album *Hot Chocolata* went to number one in the singles chart.

During her long career Julie Felix has sung out for many causes. She has visited the Middle East as a humanitarian ambassador for Christian Aid, urged New Zealanders not to engage in conscription at a concert during the Vietnam War, campaigned for Latin American refugees, founded Guitars Against Landmines, and marched against the Iraq War in London.

In 2008 Julie celebrated her 70th birthday playing a sold out gig at Gateshead's Sage Theatre. The following year Julie sold out the prestigious Cork Folk Festival, along with every other date on her Irish tour. In 2011 Julie returned to play The Isle Of Wight Festival her performance was every bit as dynamic as her appearance 42 years earlier at the 1969 Isle Of Wight Festival.

After nearly half a century of making phenomenal music nothing's changed, she's still brimming with energy on stage and off, with her performances exuding the pure joy of music. The show starts at 8pm, with doors opening at 7pm. Tickets for Julie's show at the Electric Palace are available from Bridport Music (01308) 425707 or Bridport TIC (01308) 424901, or online from www.stompinstore.com as Stompin' Dave has organised this event. Dave is performing at the Electric Palace on Wednesday 16th November with Appalachian Roots from North Carolina, USA.

A night of shimmying and sparkle from the Arabian nights

JUNO bellydancers are presenting their third annual show at Weymouth College's Drama Theatre on Saturday, November 19th.

The show, called 'A Medley of Middle Eastern Dance', features the local dance troupe plus a number of dancers from across the South and South West.

Michelle Moss, Juno teacher said: "We've had a very busy summer supporting fetes, festivals and charities. We hope that people who enjoyed our performances will come along to our show. This year we are raising money for Exeter House Special School in Salisbury. There is a little boy that we know, who goes to this school. We have performed at his birthday party and he enjoys the movement and sound of our dances." She continues: "The evening will be fun, with lots of different styles of Arabic dance from some of our favourite dancers."

Tickets are £8 for adults and £5 for children and are available from Sproston & Bowden Opticians, High West St Dorchester and So'n'Sews, 24 Westham Rd, Weymouth. For more details or to order tickets visit www.junobellydance.co.uk.

There will also be workshops during the morning in the dance studio at Weymouth College.

Library launch for Jurassic Coast dino book!

Local author to sign copies of illustrated children's story

MEET THE ECOSAURS, a new illustrated children's book by local author Janis Lane, launches this Saturday, November 5th, from 10am-12pm at Lyme Regis Library.

Janis will be signing copies of the book, available at the special launch price of £5 for the event. In addition, children will have the opportunity to take part in and take home a 'create your own timeline' activity, with community art teacher Alison Bowskill.

Meet the Ecosaurs is a beautifully realised story, which introduces local Jurassic Coast dinosaurs and other creatures. Written by Lyme resident Janis Lane with charming illustrations by Somerset-based Jennifer Crabb, the book uses historically accurate information as a backdrop for a fantastic storyline, which will thrill, fascinate and educate children in equal measure.

Endorsed by the Jurassic Coast World Heritage Team, the book follows brother and sister James and Tabitha as they meet a group of ecologically minded Jurassic Coast creatures that have travelled through time and space to help their homeland.

In addition to the story, the book features Fact Files, a Make Your Own Timeline activity, and a recipe for a Jurassic Coast Layer Cake (created with input from celebrated chef and food writer Mark Hix) - representing the geological layers revealed along the cliffs of the Jurassic Coast.

"This is a welcome addition to help children learn about why the Jurassic Coast is special. The scientific and geological facts are accurate and this lends a strong learning focus as well as a literacy element," says Dr AK Ford, Jurassic Coast Education Coordinator.

Mark Hix on the Jurassic Coast Layer Cake recipe: "This is a fantastic cake that you can have lots of fun with at home with the kids. It's a great festive cake for all celebration and has that creative educational touch to it. Have fun!"

Poetry for Pleasure

by Frank McGarry

THIS poem was written by Mary Voice, a girl from the State of Victoria in Australia, who was visiting Lyme Regis in September.

JURASSIC LYME

Go find a fossil, find an ammonite
Go find one filled with pyrites, we might
Go find it glinting after rain, now sun
Just right for amateurs to chance on one.

Go walk the coastline, see those shaly cliffs
Imagine slippage, by the tonnage down
Go see the Jurassic layers, shapes and rifts
See why the fascination and renown.

Go find a fossil see children's faces shine
When Paul the guide in fossil hunting gear
Cracks limestone slabs to see what might appear
A brief suspense as steel on lime align.

Go find a fossil. Wow! And there it is
A creamy yellow spiral cradled in the grey
The wonder on the faces of those kids
Fossil hunting is the highlight of the day.

Chidlock Tichborne was only in his twenties in 1586 when he was executed in the Tower of London for plotting to kill Queen Elizabeth. The day before his death he sent this poem in a letter to his wife, Agnes.

ELEGY

My prime of youth is but a frost of cares,
My feast of joy is but a dish of pain,
My crop of corn is but a field of tares,
And all my good is but vain hope of gain;
The day is past, and yet I saw no sun,
And now I live, and now my life is done.

My tale was heard and yet it was not told,
My fruit is fallen and yet my leaves are green,
My youth is spent and yet I am not old,
I saw the world and yet I was not seen;
My thread is cut and yet it is not spun,
And now I live, and now my life is done.

I sought my death and found it in my womb,
I looked for life and saw it was a shade,
I trod the earth and knew it was my tomb,
And now I die, and now I was but made:
My glass is full, and now my glass is run,
And now I live, and now my life is done.

Another man who wrote a poem just before his death was the war poet William Noel Hodgson, who served in the Devonshire Regiment and was awarded the Military Cross. He was killed in 1916 on the first day of the Battle of the Somme. Two days before he died he wrote this.

BEFORE ACTION

By all the glories of the day,
And the cool evening's benison,

By that last sunset touch that lay,
Upon the hills when day was done,
By beauty lavishly outpoured,
And blessings carelessly received,
By all the days that I have lived,
Make me a soldier, Lord.

By all of man's hopes and fears,
And all the wonders poets sing,
The laughter of unclouded years,
And every sad and lovely thing;
By the romantic ages stored
With high endeavour that was his,
By all his mad catastrophes
Make me a man, O Lord.

I, that on my unfamiliar hill
Saw with uncomprehending eyes
A hundred of thy sunsets spill
Their fresh and sanguine sacrifice,
Ere the sun swings his noonday sword
Must say good-bye to all of this;
By all delights that I shall miss,
Help me to die, O Lord.

THIS WEEK'S NEW RELEASES

IN TIME ^{12A}

IN the not-too-distant future the aging gene has been switched off. To avoid overpopulation, time has become the currency and the way people pay for luxuries and necessities. The rich can live forever, while the rest try to negotiate for their immortality. A poor young man who comes into a fortune of time, though too late to help his mother from dying. He ends up on the run from a corrupt police force known as 'time keepers'.

Stars Justin Timberlake, Olivia Wilde and Johnny Galecki.

MACHINE GUN PREACHER ¹⁵

BASED on the true story of Sam Childers (Gerard Butler), a former drug-dealing biker tough guy who found God and became a crusader for hundreds of Sudanese children who've been forced to become soldiers. Also stars Michella Monaghan, Kathy Baker and Michael Shannon.

TOWER HEIST ^{12A}

WHEN a group of hard working guys find out they've fallen victim to a wealthy business man's Ponzi scheme, they conspire to rob his high-rise residence. Ben Stiller, Eddie Murphy and Matthew Broderick star in this hilarious crime caper.

JACK GOES BOATING ¹⁵

JACK (Philip Seymour Hoffman) is a shy and awkward man who drives a limo and lives an unassuming life. His friend and co-worker, Clyde (John Ortiz), and his wife Lucy, feel sorry for Jack and set him up on a blind date with Connie (Amy Ryan). Connie shares Jack's shyness and awkwardness, but through each other they seem to be able to find solace within themselves. Trouble might be brewing in paradise though, as Clyde and Lucy's marriage stumbles just as Jack and Connie's relationship grows.

STRAW DOGS ¹⁸

JAMES Marsden stars as David Sumner in this adapted remake of the brutal 1971 film of the same name.

L.A. screenwriter Sumner relocates with his wife Amy (Kate Bosworth) to her hometown in the deep South. There, while tensions build between them, a brewing conflict with locals becomes a threat to them both.

FREE HALLOWEEN THEMED ZUMBA SESSION HELD AT BRIDPORT LEISURE CENTRE

GREAT fun was had by all - Bridport Leisure Centre's FREE monthly Zumba session followed a very spooky theme for Halloween on Sunday 30th October. 54 took part and many opted to join in and dress up for fun!

As well as the normal latin feel Zumba tunes that were regularly heard at the Zumba classes held at Bridport Leisure Centre, instructor Ally O'Reilly included some special tracks for Halloween such as Time Warp, Ghost Busters and a many more. When arriving the willing victims were met with the spooky spider webs and ghostly music. Smoke appeared from behind the eerie stage and the 'Kitty Allycat' (instructor) made everyone feel welcome, from regular participants to complete beginners.

After a gruelling but fun filled hour work out, the ladies and gents were rewarded with a sweetie treat, and were given a 1/2 Price Fitness Class voucher to use when attending one of the wide range of Fitness Classes available at Bridport Leisure Centre - from Zumba, Spinning, Aqua Zumba, Aquafit, Aerobics, Pilates, Yoga plus many more!

Accounts and tax returns to negotiating with the Revenue on disputes

AS a small, family-run business, which we started in 2002, we have always aimed to provide individuals and small and medium sized businesses with a friendly and transparent service. We preferring to quote fixed fees where possible in order so that our clients

know up-front how much we will charge. Our commitment is to provide a professional, convenient and reliable service to all of our clients.

From preparation of accounts and tax returns to negotiating with the Revenue on disputes, we have the necessary expertise and experience to provide you with a service that we hope you will be confident enough to recommend to others. We are proud that a large proportion of our work has arisen out of recommendations from existing clients, and we hope to maintain

this level of commitment to satisfaction.

Our chartered tax adviser (CTA) is able to advise on income tax, corporation tax, VAT, stamp duty and inheritance tax, but her particular favourite is capital gains tax! so, if you have points of concern in any of these areas, why not give us a call to see if we can help you.

We have a small office above Gilly's in Axminster, where you are welcome to come for a free initial consultation, or if you would prefer, you can email us at query@kadel.co.uk.

Shire Signs

'You name it, we can write on it!'

SHIRE Signs is a small business first established by Clive Lamb in 1988, having served an apprenticeship with BBC contractors for many years.

Shire Signs are able to make your sign if required or refurbish existing signage. Our motto is 'you name it, we can write on it!'

Local specialists in commercial and business insurance

BUSINESS Insurance specialist Scott Hall created Hall Commercial after having identified the need for a local specialist in commercial and business insurance. He leaves private car, single-trip travel and pet insurance to others and concentrates his 15+ years of experience in doing what he knows best – helping business to buy the right insurance.

Scott has been asked to review insurance portfolios for many businesses in the area, from Tradesmen to Factories and Shops to Warehouses. Tailor-made policies come from a carefully selected panel of insurance providers, many of whom can only be accessed through insurance brokers. You won't find those insurance providers on any comparison web sites, because they know that arranging business insurance requires local knowledge, expertise and professional advice – the kind you get from Hall Commercial.

Scott can also help with home and property insurance, espe-

cially the larger or more "difficult" risks. Thatched, let, unoccupied, holiday homes, high value, just a few of the types of policy which may be arranged.

Claims, however large or small, can be a serious disruption to business and Scott takes charge of them personally. He will do all he can to expedite procedures and bring about a speedy and satisfactory conclusion. Scott has a totally hands-on approach to customer service.

In addition to his 15+ years experience in In-

surance negotiation, Scott is a qualified member of the Chartered Insurance Institute and a member of The British Insurance Brokers Association. He understands what it means to own and run a business and is therefore also a member of the Federation of Small Businesses.

The Hall Commercial web-site is a mine of information, and if you are starting a business or renewing your policies, Hall Commercial is the name to put in your diary, or you can ring Scott Hall direct on 01460 76810.

Simple, automatic data backup system for your PCs

JCH DataCare is a new business started by Christopher and Jo Hall, serving the South West and Wirral providing a simple, automatic data backup system for all your home and small business PCs.

We decided to create the business after realising that; whilst a large percentage of people now have a computer, we don't think about all the precious information kept on them and what we would do if we lost all or some of that information; whether through a hardware or software failure or through theft or loss. It's not just the data files and pictures etc., but all the software and the gadgets we download but never have a hard copy of, that if we lost we would have to spend hours and hours trawling through the internet and downloading again (that's if we can find them!) to get back to where we were before the problem. Not to mention all the e-mails, internet favourites, and all those passwords and user names your computer remembers for you.

Whilst researching

the market, we also discovered that; although there is a really simple and cheap system to protect all your computers; nobody was promoting it! Microsoft have produced a piece of software called Windows HomeServer 2011 which takes a complete image of your computer, and when incorporated into our JCH systems, will quietly sit in a corner of your home or small business and look after up to TEN computers linked to it. It will also give you extra storage that all ten PCs can access if they are short on space; these shares can also be accessed from anywhere in the world via the internet! It gives you the services of Cloud storage but you know that

you have complete control over the information as it's YOUR CLOUD in YOUR home or business!

There are other companies supplying units with WHS 2011 installed but most only offer a single hard drive as standard. This means they are not using the software to its best potential as WHS 2011 gives the added security of mirrored or RAID drives when using two or more drives which are a standard with JCH DataCare's range. So, if you want the peace of mind in knowing that; no matter what happens to your computer; you can get it all back, just the way it was, in a matter of hours; you need a JCH DataCare HomeServer.

Stokes Partnership

Growth despite recession

BRENDAN Pang, Partner and Head of Commercial Services at Stokes Partners LLP says that the answer lies in sustained investment in technology and key personnel.

From the very outset, the firm has invested unstintingly in the latest technology whether it is a phone system or dual screens at each workstation. After staff wages, I.T. represents one of the firm's largest areas of spend. It is now looking with its consultants at cloud technology as part of its disaster recovery plan.

Cutting edge technology and applications to meet client's bespoke requirements has allowed the firm to work with large national organisations such as the Coventry Building Society.

To meet the challenges facing the legal profession in particular, the firm has recently restructured into two separate brands, Fasttrac Solicitors Limited and the core legal business as Stokes Partners LLP.

As a Limited Liability Partnership, the firm is able to recruit talented and ambitious young lawyers from city and regional firms.

It recently succeeded in recruiting Helen Williams, an Associate from a large Exeter practice. Helen specialises in property litigation and joins the Commercial Services team.

The Commercial Services team provides a seamless service to business clients from employment contracts, business disputes to sale and acquisition of businesses.

The firm has a particularly strong reputation for property related dispute resolution, acting for numerous regional and national clients. It frequently deals with heavyweight litigation, punching above its weight against lawyers from the large City firms.

The firm is recommended in The Legal 500 for the South West in the areas of Commercial Property (Robert Wright), Family (David Stokes) and Dispute Resolution/Commercial Services (Brendan Pang).

Glenn Tilbrook comes to Bridport next week

GLENN Tilbrook's solo acoustic show includes all the hits from his beloved band Squeeze, including 'Up The Junction', 'Take Me I'm Yours', 'Pulling Mussels From The Shell', 'Tempted' plus many more.

His work has been cited as a massive influence by the likes of Mark Ronson, The Feeling, Kasabian, Razorlight and Lily Allen and has earned both Glenn and his Squeeze co-writing partner Chris Difford the prestigious Ivor Novello "Outstanding Contribution to British Music" and the Nordoff-Robbins "Icon" Awards.

Known for his preference to blur the lines between spectator and performer, the audience can expect to be involved in literally anything – even following Glenn as he beckons his crowd to leave the venue with him and set up an impromptu gig wherever the mood takes him.

After 30 years and having been to some of the highest points on Earth, Glenn Tilbrook still thrives on the buzz he gets from playing live like it was his very first time.

Glenn Tilbrook plays at Bridport's Electric Palace on Monday, November 7th from 7.30pm.

Tickets cost £16.50 in advance and are available from Bridport TIC - telephone 01308 424901, or online at www.electricpalace.org.uk

LYME REGIS - GUIDE £525,000

THIS detached chalet bungalow was probably built in the 1950's with rendered cavity walls beneath a tiled roof with more recent additions. Whilst the property has been well cared for and offers modern amenities a purchaser may wish to update parts.

The property occupies one of the most attractive sites in Lyme Regis well away from busy main roads yet only a few minutes walk away from the town centre shops and seafront. The views are a most impressive feature taking in the sea and West Dorset coastline.

Pine Walk is a private close of only some ten individual detached properties and at the far end about 250 metres away is access to National Trust

land and the famous coastal footpath between Lyme and Seaton.

A brief summary of this property: super views of the sea and west dorset coastline, close to town centre, seafront and coastal path, away from busy roads, sitting room, dining room, kitchen, utility and w.c., master bedroom and ensuite (ground floor), 2 first floor bedrooms and bathroom, mature gardens, garage and ample parking, gas central heating, upvc double glazed windows.

Viewing is strictly by appointment with the vendor's agents, Martin Diplock Estate Agents & Valuers, 36 Broad Street, Lyme Regis on (01297) 445500.

Another premises for Landrover 4 U!

LANDROVER4U LTD have been operating their independent 4x4 service and sales business in Honiton from the Heathpark Industrial Estate for over ten years. Directors Kevin Jones & Nick Austin have been considering expanding the

business for a while now and when the opportunity arose to take over a main-road site they grabbed it. Despite the difficult economic environment Kevin & Nick are confident the higher profile site will bring in more business and with the large num-

ber of 4x4s in the area and the very high labour rates charged by franchised dealers they feel that there is a place for their offering. Expanding the business means more staff and three new jobs have been created by the move. The new, much larger,

premises at Shute Garage on the A35 between Kilminster and Wilmington are easy to find and from here Landrover4U will be providing MOTs, general servicing and repairs for all vehicles but specialising in Land Rovers and 4x4s. Landrover4U

are also franchised dealers for the Polaris range of ATVs which they sell and service. There will be a large selection of Land Rovers and other 4x4s for sale and the garage will be open seven days a week. The move is underway and the new

premises will be fully operational by the latter part of November 2011.

To book your vehicle in or enquire about a vehicle for sale call 01404 831907.

Their labour rate may cost you less,
but you could end up paying for it.

It's time to see through independent garages.

When it comes to servicing and repairing your Mercedes-Benz at an independent garage, can you be sure you're not paying more than you need to?

At Mercedes-Benz of Dorchester's Official Workshop, we'll tell you the price of any work that's needed and how long it'll take before we begin, so you'll know exactly where you stand.

Furthermore, all our Genuine Parts come with a comprehensive two-year guarantee and include the labour cost of fitting them, meaning that when you drive away, you'll feel reassured that if something goes wrong, we'll be on hand to help. That's why it pays to see the experts.

And at the moment, this is especially true. If you present the voucher below when bringing your car in to us, we'll give you £50 off the labour cost for any servicing or repair work we carry out.

To find out more, contact us today on 01305 264 494.

WHY HAS THE ANSWERS FOR CHICKENS

Linaker goal sees Portland United back up to top spot

PREMIER LEAGUE

THE top-of-the-table clash at Portland was decided by an Adam Linaker goal which proved too much for reigning Champions Hamworthy Recreation.

There was a similar scoreline at Holt United with a Simon Edwards goal seeing off Cranborne.

Down at the bottom goals from Shane Sheridan, Adam Ansty and Charlie Taylor lifted Weymouth Reserves out of the bottom three following a 3-1 win at Merley Cobham.

Star of the day was Josh Why who struck four times in Chickereil United's 5-3 win at Poole Borough. Warren White bagged the Chickens' other goal.

Paul Best (2), Liam Currell and Jacob Harrop scored the goals as Swanage & Herston thrashed Shaftesbury 5-0.

Westlands Sports remain well placed in third despite being held to a 3-3 draw at Blandford United.

Sam Jarman (2) and Marc Cains scored for Sports with Mark Ford (2) and Justin Hall on target for the Royals.

The all-Somerset clash between Wincanton Town and Tintinhull ended goal less.

Honours were even at Sturminster Marshall too where Darrell Williams netted for the hosts against Hamworthy United Reserves. Jordan Basing scored for the Hammers.

LEAGUE TOP SCORERS

Sam Jarman (Westlands Sports), Chris Payne (Holt United) both 14, Mark Ford (Blandford United) (13).

SENIOR LEAGUE

WAREHAM Rangers remain three points clear after 2-1 win at Weymouth Sports thanks to goals from David Best (pen) and Simon Lander. Robbie Rolls bagged the Sports consolation.

Portland United moved up into second spot following their 2-0 victory at struggling Piddletrenthide United.

Upwey and Broadwey moved up into the top three after their 5-3 win at Kingston Lacy. Simon Dyer (2) and Alex Pettit netted the hosts' consolations.

Sturminster Newton stay in fifth place despite sharing two goals and the points in a 1-1 draw at Stourpaine with the host's goal coming from Mark Fraser.

The only home victory came at Bishops Caundle where Liam Costello and Nick Elsworth scored in a 2-0 win over Blandford.

Okeford United thrashed Gillingham 6-1 on their own turf. Marc Doble hit four and Luke Turk and Matthew Jordan chipped-in with

singles.

A Liam Coles goal couldn't save Chickereil United from a 2-1 home defeat at the hands of Witchampton.

DIVISION ONE

STUART Dominey (pen), Jordan Coles and Matt Chant scored the goals as Mere Town maintained their five point lead at the top of the table after a 3-0 home victory over The Ship Inn, Wool.

Hard on their heels are Westland Sports who had a 9-0 victory against Swanage Town & Herston. Leo Hayward (5), Ian Harris (3) and Danny Call scored for the hosts.

Granby Rovers stay in third place after Marcus Simpson scored twice in the 2-0 win over they defeated Poundbury Rovers.

Meanwhile a Jamie Butler couldn't save Dorchester Town Reserves from a 2-1 home defeat at the hands of Poole Borough.

Bere Regis hoisted themselves into the top five with a 6-1 victory against Wincanton Town with their goals coming from Aaron Scott (2), John Sanders, Jack Watson, Matt Elford and Dale Wright.

Kangaroos went down 3-2 at home to Merley Cobham. Carl Lewis and Steve Wilson scored the hosts' consolations.

It was a good day for Dorchester Borough who netted their first three-point haul after a 1-0 win over fellow strugglers Shaftesbury.

DIVISION TWO

CORFE MULLEN and 11th Signal Regiment's title aspirations were both dented at the weekend.

Corfe were held to a goal less draw at Gillingham but stay top. The Signals went down 3-2 at Bridport 3rds who leap-frogged their opponents into second place.

A 2-1 win at Sturminster Newton United means Weymouth Spartans are still very much in the hunt for a promotion spot.

Wyke Regis SC had a day to forget as they were crushed 10-2 on their own turf by Milborne Sports.

Goals from Gary Harbey, Danny Dancer and Andy Nott proved too hot for Corfe Castle who went down 3-1 at The Balti House. Sammy Delou scored for Corfe.

DIVISION THREE

AFC Cobham eased three points clear at the top after a 4-2 win at Portesham. Chris Birch scored both for the Ports.

Piddlehinton United moved back into the top two after they defeated Galaxy 3-0 with goals from Ben Jeanes (2) and Nick Hansford (pen).

Cranborne moved out of the bottom two with a 3-2 victory over

Maiden Newton & Cattistock Joshua Holt and Daniel Smith scored the consolations.

DIVISION FOUR

HANDLEY Sports extended their lead at the top to five points with a 4-3 win over visiting Puddletown Adam Day (2), Darren Munday and George Gibbs scored for the Sports.

Weymouth Spartans moved up into second place after a 3-3 draw at Galaxy. On target for the Spartans were; Lee Whisselle (2) and Elliott Gould.

Bishops Caundle moved off the foot of the table following their 3-0 victory at Owermoigne who slip down to third place as a result.

Fourth placed Littlemoor could only bag a point from their home game with Swanage Town & Herston. Daniel Pavey, Shane Lock and Kieron Ralston scored in the 3-3 draw.

Meanwhile mid-tablers Stalbridge and Poundbury Rovers played out a goal less draw.

DIVISION FIVE

AFC Blandford moved up to second place following a 7-0 success against Poundbury Rovers. Charlie James (2), Dave Cox, David Mitchell, Danny Benham, Mike Lovell and Andy McGill (pen) made up the magnificent seven.

Donhead United slipped down to third after they only took a point at Milborne Sports with a 1-1 draw with their goal coming from Aaron Shoemark while on target for the Sports was James Connelly.

Broadstone moved up a place to fourth with a 7-1 victory over Handley Sports with their strikes coming from Luke Gee (3), Steve Davies, Jamie Yeo, Silawosz Samedzade and an own goal.

Marnhull stay in sixth place after their 5-4 win against Dorchester Community Church. Luke Perry (3) and Will Stevens (2) scored for the hosts with Roger Frapwell (2), Matthew Cracknell and Chris Irons replying.

Not the best week!

BY local trainer Bob Buckler's record this season, this last week has not been his best writes Stuart Broom.

Mister Matt found the ground too soft for him at Chepstow in the digibet.com Handicap Chase over two miles following heavy rain on the day including the race, and as a result after travelling well early on found the ground too much and he finished at the back of the field.

"It was a disappointing finish to a long season that has seen him win a couple of races and been placed another seven times.

"He needs firm ground and the heavy rain on the day made the ground much too soft for him," said Buckler, who confirmed the horse will now take his winter's break.

Ballygulleen has been retired from racing following the Sussex Equine Dentistry Handicap Chase over 3¼ miles at Fontwell when he refused at the second last when in second place.

Buckler explained: "He is a real monkey, and I felt sorry for jockey Andrew Glassonbury as soon as the winner Wherrimon pulled away from them, leaving them to race on their own, as I knew he would refuse to continue on his own.

"There is nothing you can do about it unfortunately. He has ability, having won a couple of races in his career, but he has this problem of racing on his own.

Successful summer for Powerstock young cricketers

POWERSTOCK Junior Cricket Club held its end of season presentation evening last week and was pleased to welcome Phil Drake, Chairman of Dorset Cricket Association as a special guest. Chairman of the Club, Steve Hibbs, outlined the summer's achievements, which included being able to field three youth teams:-

The under 9s played friendly games, beating Martinstown but losing to Dorchester.

The Under 11s had a good season, coming runners up in the Archie Masters Cup to Dorchester.

The Under 13s also had a good season, being runners up in both the West Dorset League and the Dave Cheffey cup, just losing to Dorchester on both occasions.

The Club was also pleased to have seven members who played for the West Dorset district team this year.

The following club members were presented with individual awards for their performances in 2011:

U11s; Best batsman - Thomas Hughes, Best

"He obviously is not in love with racing and will be leaving the yard to go hunting or point-to-point."

Buckler was initially very disappointed with his other runner **Quix** in the Cushman & Wakefield Novices' Hurdle over two miles at Ascot on Saturday. He jumped badly from the outset and was finally tailed off to finish fifth.

"I know he can be a quirky character, but I couldn't understand at the time why he had jumped so badly and didn't appear to try.

"It was only the next morning when he could hardly move, and it appears that maybe he has torn some muscles high up in his back which was why he ran as he did. Although he has improved slightly he is obviously very sore, and the physio will be looking at him to check him out."

Champagne Rosie was due her first run of the season at Exeter on Tuesday in a highly competitive race whilst Saint Peray was due to go on the same card. **Small Fly** is expected to run at Chepstow on Wednesday, and providing he is not balloted out, **Baron Sutton** will make his racing debut at Wincanton on Saturday.

Stable jockey Nathan Sweeney rode out for the first time on Monday after breaking his leg in a fall aboard Ethiopia in July, and hopes that an x-ray in two weeks time will see him back in the saddle in the not too distant future.

Bolt to follow in Dan's footsteps

A BRIDPORT man is set to leave Usain Bolt, the fastest man on earth still in his blocks when he competes in The National Lottery Olympic Park Run next year.

Daniel Broom has won the opportunity of a lifetime by being among the first to run in the Olympic Stadium, the centrepiece of the London 2012 Olympic and Paralympic Games, when he takes part in the race on March 31st.

Daniel has been selected as one of just 5,000 people to take part in the five mile run through the Olympic Park which will pass iconic world-class venues like the Velodrome and Aquatics Centre before culminating in the first public access to the Olympic Stadium.

Those participating on the day will be the first people to cross the Olympic finish line in an official race.

Thirty-four-year-old Daniel learned last Friday that he was one of those successfully chosen by ballot from the thousands who entered the National Lottery on-line competition, and is looking forward to the experience which gives each runner the opportunity to be part of sporting history.

Each runner will also receive two spectator passes which will allow them entrance to the stadium to soak up the atmosphere and cheer him home as he crosses the finishing line.

There will also be a host of past and present Olympic and Paralympic stars present, both participating and offering support to the runners.

Daniel who ran the 10 mile Great South Run on Sunday said: "The confirmation came out of the blue, but it is

a fantastic opportunity to not only run through the Olympic Park and view the magnificent stadia, but to finish in the Olympic Stadium and cross the finishing line is really something you can only dream about."

The 2012 Olympic Games runs from July 27th until August 12th and the Paralympic Games between August 29th and September 9th.

■ OPPORTUNITY OF A LIFETIME: Daniel Broom, pictured running in last year's Great South Run, who will be one of the first to cross the Olympic finishing line.

Sporting brains put to the test

IT'S THAT time of year once again when some of the most knowledgeable sports quiz experts in Dorset sit and ponder as they contest the prestigious Clinker Shield to be held at the Symene Sports Club on Sunday November 20th.

The event, now in its 28th year is one of the most coveted titles of it's kind, and is keenly sought after. Last year's champion's Beaminster Social Club will be defending the title once again, and having won it for the last three years, there will be plenty looking to flush them down the toilet and wipe the smiles off their faces.

However it will be a tough ask as Nigel Walters, Rodney Crabb and his son Sam

are an excellent combination.

Nick Skyrme is once again the question master for the third year running, and with the event starts promptly at 7.15pm, teams are asked to arrive in good time to ensure the smooth running of the event.

The following teams have been invited to this excellent night of fun: Bradpole Club, The Mystics, Chelsea Savages, Bridport Rugby Club, SamEd + 1, Jack Tars Trio, Snorklers, Chideock Vets, Bridport Football Club, Melplash Cricket, Wattig Winklers, Broom's Bald Eagles, BriPhilPinkey, Bridport Golf Club, Balsy's Bangers, Beaminster Social Club, Mac's Masterminds.

Rivers too strong!

BRIDPORT INDOOR BOWLS - with Brian Baker

BRIDPORT Men's team returned to Wessex League action and took a pasting from the leading Five Rivers (Salisbury) side losing 113-49 overall.

Max Dare, Keith Brooks, Brian Morgan and Ken Enticott were in contention until the end but lost 19-22. Arthur Stone, Bernard Winton, Bob Taylor and Ivor Parker found themselves up against a crack rink of youngsters and took a 9-27 beating. At Salisbury Dave Roberts, Derek Harp, Brian Iversen and Bill Payne were having a living nightmare as they went 0-26 down after ten ends, but they never gave up. Indeed, over the last 11 ends were only out scored 9-11 to give a final 9-37 scoreline. Chris Thorne, Brian Walsh, Brian Conisbee and Brian Rumble went down 12-27.

Joan Griffiths, Beryl Stork, Mary Marsh and Janet Tattershall secured two points for the C team in the County League with a 25-16 win over Dolphin (C). Di Loving, Chris Minas, Ann Parkins and Mary Corfield lost 16-29, giving Dolphin the four extra points for an overall win.

Encouraging signs from Bridport

RECENTLY realising that, on the final Saturday in October, I had yet to watch two of my "flock" in league action, and that Puddletown were playing away, I took the road to Crewkerne to take in their game against Taunton thirds whom they easily bested by 34-7.

WIMBORNE 12 DORCHESTER 5

DORCHESTER had the stiff breeze at their backs in the first period but were unable to make it count during an error strewn half from both sides that lacked cohesion in the extreme.

It was Wimborne who opened the scoring when one of their wide runners hopefully chased a kick ahead and received the benefit of a kindly bounce that completely wrong footed the Dorchester defence.

The visitors replied in kind before the interval and their equalising unconverted try too owed something to dame fortune. The home set scrum had come under some pressure and it lost control of a heel close to its own line. The ball ran into the path of James Baker who touched it down unopposed.

Playing with the breeze after the break, Wimborne started positively and took the lead with a converted try. For a space they looked the more likely outfit as Dorchester struggled to cope with a couple of injury problems. They put those well and truly behind them however, buckled down and really the final quarter belonged to them as they laid siege to the Wimborne line.

The hosts defended stoutly however and would have heard the whistle for no side with very considerable relief.

Dorchester are going through a very frustrating spell at the moment. For whatever reason they are unable to take points during the periods of a game when they are in the ascendancy and therefore do tend to lose the close encounters, and have become "losing bonus point bankers". The fact that this is a phase that all sides go through at one time or another will be of scant comfort to them.

WEYMOUTH 24 SWANAGE & WAREHAM 2nd 8

THE very stiff cross wind was marginally in the faces of the home side during the first period and it was the league leaders who had the better of the early exchanges in this top of the table clash.

They imposed early pressure and turned it into points by kicking a penalty goal after 10 minutes' play.

Weymouth finally settled however and went into the lead about the end of the first quarter when, having won a lineout close to the Swanage & Wareham line, made a clean catch in the middle and mauled their way over, with Max Vallance com-

ing up with the ball. Sheppard added the extras and, with the game being evenly contested, the scoreline stayed at 7-3 in home favour until the halfway stage.

Weymouth would have felt that they had shaded the first half but nothing was yet settled and they would have been a little concerned to see that the wind, that now was to be in their favour, was dropping away.

They did however, start the second-half in positive mode and extended their lead with a good try, scored by centre Joe Webber who cut a good line and got over from outside the twenty two.

This try remained unconverted but the home side scored another soon after to put daylight between the sides. Winger Will Quick scored this one. Having stepped his marker he showed good pace to round the cover and touch down. Sheppard's conversion kick was again accurate and the home side led 19-3 on the hour.

Their opponents were by no means done however and set up a series of attacks. The Weymouth defence copped, but conceded too many penalties, and eventually Mason was sent to the bin.

Swanage & Wareham narrowed the gap in his absence with an unconverted try but, on his return, the home side reasserted themselves. They went through the phases, protecting their possession and recycling well.

Swanage & Wareham tapped back and flanker Harry Charles was the first to react. He gathered and touched down what was the bonus point try which, although it remained unconverted, served to take Weymouth to the top of the division.

WINCANTON 3 WEYMOUTH 2nd 53

THE Weymouth second side proved to be too strong for the side who were promoted with them at last season's end. scoring eight tries and conceding just a penalty goal in reply.

Highlight of the afternoon was the brace of tries touched down by hooker James Leach. He ran in the first from about halfway; and for the second he chipped the full-back and regathered the ball (Hookers were not allowed to do that sort of thing in my day).

He was not the only one to bag a brace. James Almond and Robert Smith also crossed the whitewash on two occasions and the try count was completed by Baudouin and Dean. Max Baudouin kicked five conversions and added a penalty goal to complete the scoring, to leave the home side facing what might just be a very long and hard season.

Not such good news for the Weymouth third side. It suffered a bit of a "sage and onion" job at home to visitors, Ellingham &

Ringwood thirds 43-12.

BRIDPORT 23 SHERBORNE 2nd 18

THERE was a strong wind blowing from the sea and from one end to the other of the Brewery Field, and Bridport had it at their backs throughout the first period.

Although they enjoyed a territorial advantage for much of the first forty minutes, they made rather too many errors and the interval came with the game scoreless.

As sometimes happens, sides play better when facing the elements and this was one such case. The home side took the lead early in the second half via a Luke King penalty goal and, although Sherborne countered with a similar effort, the home back division had begun to string some meaningful threequarter moves together.

First it was Rob Leins who regained the lead for his side with an unconverted try, and when Dave Cutting ran in another soon after, Bridport were 10 points to the good with the scoreline standing at 13-3.

Issues were far from settled however. Sherborne then narrowed the gap with a penalty goal, and narrowed it still further when they touched down an unconverted try on the hour. It was necessary for the home side to respond and they did so when scrum-half George Sparkes broke and scored with 15 minutes left for play. His try remained unconverted and, with just 10 minutes remaining, Sherborne tied things up at 18-18 by scoring a converted effort.

It was all to play for now and, in the final five minutes, home centre Dave Smith had both the pace and the strength to break the visitors' defensive line and touch down. It was not a day for place kickers and the try remained unconverted but it was enough, and was the bonus point try at that. Bridport held on to record a most satisfying win.

I think that Bridport's rebuilding process is proceeding. Having watched both sides recently, and Bridport's game at Ivel, I felt that they would have to improve markedly if they were to come out on top in this one. They did so and can face the rest of the season with confidence.

It was a good day for the Bridport club all round, with their second side coming out on top in their local derby game at Dorchester seconds 23-13.

WHEATSHEAF CABIN CREW 12 PUDDLETOWN 4

INITIAL exchanges gave little indication of what was to come in this Dorset & Wilts League Division Two encounter for, although Puddletown took an early lead when out-half Dovell nipped in for a try, converted by Yeatman, the home side re-

sponded immediately with a similar effort.

A rather turgid contest then ensued for much of the remainder of the half, although the visitors scored again when hooker Jeremy Michael-Beale got over. Yeatman's conversion kick was again accurate and Puddletown would have been just about satisfied with their 14-7 lead at the halfway stage.

Strong words were digested with the half-time oranges and Puddletown stretched away with a try by full back Udell within five minutes of the restart and, although Wheatsheaf did respond with a try out wide, it was to be their last effort.

Puddletown's attacks became more sustained as the second-half progressed. Udell got over twice more to complete his hat-trick.

Centre Yeatman got in on the act with a try in addition to kicking six conversions from seven attempts; and when in the final minutes, number eight Spicer made his way through some heavy traffic to complete the try count, Puddletown were out of sight.

PREVIEW

THE leagues take a rest on Saturday next and the day is devoted to cups. Both PUDDLETOWN and DORCHESTER have no involvement and are without games, although the former will be looking for a friendly.

BRIDPORT take on LYTCHETT MINSTER at home who, although in the local cup's catchment area, play their rugby in division two of the Hampshire League, and are a side about whom I, for one, know very little. The considerable journey could well decide the winners of this one.

WEYMOUTH travel to WARMINSTER, opponents with whom they are well acquainted and, if they field a representative side, should come back from there with a win.

As to the second sides, both seconds and thirds of the Dorchester and Weymouth clubs are without fixtures, while Bridport seconds will, I suspect, find the going hard against a resurgent Crewkerne outfit. Importantly too, as it is now officially winter time, the games will start earlier, probably at 2.30pm, initially anyway, while cup games will likely start at 2.15pm.

Rugby extras: Weymouth visit Weymouth!

Weymouth visit Weymouth!

WHILST visiting New Zealand for the Rugby World Cup recently, members of Weymouth Rugby Football Club took the opportunity to visit their namesakes in Manukau City, Auckland prior to attending the final between New Zealand and France later that day.

Arthur Fisher, John Parker and ex Weymouth player and chairman Willie Wildash, now the current President of the RFU, and his wife Mary also met with Ben Parker who was part of the successful British Army team that won the first ever International Defence Rugby Competition (IDRC) held in Australia and New Zealand by defeating Australian Services 62-17 in the final the day before.

Ben is a member of WRFC and plays for the club when home on leave, and was part of the team that battled their way to the having defeated the Samoan Police, the French Combined Forces and the Tongan Defence Services on their way; some seriously tough matches.

The UK visitors wanted to meet old friends that they got to know when the antipodeans visited them during a tour of England in 1992. They received a very warm welcome when

they were met by Weymouth Club President Joe Faliu who was accompanied by a number of club members including some members of the original 1992 touring party. They enjoyed some tremendous hospitality and were given a guided tour of the club's facilities. Club shirts were exchanged; both clubs wear light and dark blue shirts.

Weymouth NZ, formed in 1970 are planning to visit England and their British namesakes again in 2015 when the RWC and the IRDC will be held.

NORTH DORSET U14 12 WEYMOUTH 15

WEYMOUTH got away to best of possible starts with a kick and chase try by Jonathan Young.

North Dorset fought straight back and were camped out on Weymouth's five metre line for a number of scrums before Greg Harris forced over for a try that was converted to give the home team a lead of 7-5.

The game became scrappy with handling mistakes from both sides and a struggling Weymouth scrum penalised by a second try for the hosts following a fine run from Hector Neale

giving the home team a lead of 12-5 at the break.

Weymouth reorganised at half-time and started to get the ball to their backs resulting in a try from Calen Ryan taking the ball from his own 22 outpacing the opposition to bring the score back to a nail biting 12-10.

Good pressure from a revitalised Weymouth pack driven by Nat Baynham-Jones gave them territorial advantage. The match was decided when Toby de Kretser caught a mis-directed kick and ran it back in for the winning try.

UNDER 9s

TWO matches against the Swans saw great victories for Weymouth.

The first game showed the teams attacking flair with a 9-2 win. Four of the tries were scored by Toby, with some amazing runs. It also saw Jules Hicks score his first try for the club since joining only a month ago.

The second match saw their defensive skills, where Weymouth were under pressure for long periods but still won 2-0. Man-of-the-Match was Hicks.

WEYMOUTH & PORTLAND CUB SCOUTS TAG RUGBY TOURNAMENT

WHILST Wales were struggling against France in the semi final of the Rugby World Cup, Weymouth and Portland Cub Scouts were having their own Tag Rugby Tournament at the invitation of Weymouth Rugby Football Club.

Enthusiasm and skill from all the teams was in abundance thanks to the coaching staff at WRFC with Chesil

With the expertise and guidance from the coaching staff at WRFC the games progressed with enthusiasm and skill from all the teams taking part.

The winners were Chesil Dynamites who won all four games, with South Jolly Jail the runners-up with three wins. Barbarians, Bulldogs and East Shadow all won one game.

The trophy and certificates were presented by the President of the Rugby Club, Des Quick.

Assistant District Commissioner Cub Section, Maureen Adams would like to convey the

thanks of all the cubs taking part taking and to Glyn Arnold and Chris Davis, the coaches and referees and all at WRFC who gave their time to make this such a fun and exciting event for the Cubs.

FOOTBALL ROUND-UP

with Stuart Broom

Magpies bring Angels down to earth

Magpies throw away two goal lead

HAVANT & WATERLOOVILLE 4 DORCHESTER TOWN 2 - ATT: 539
IT LOOKED like Dorchester Town had put their poor display in the defeat at home to Boreham Wood to bed as they raced into a two goal lead in the first 15 minutes at Westleigh Park on Tuesday.

However the Hawks hit back after the interval to score four times to send Dorchester to their seventh defeat in the last eight matches which led to manager Ashley Vickers being sacked two days later.

Despite receiving chairman Shaun Hearn's vote of confidence three weeks earlier, the results suggested that Vickers needed to reverse the losing spiral quickly, and it appeared that his side had finally found the winning formula as Gary Bowles and Ben Dickenson gave them a great start.

Ryan Moss went close from Nick Crittenden's cross with a header that flew past the far post, before Bowles struck on eight minutes; Crittenden's corner was headed on and Bowles applied the finishing touch at the far post.

Steven Ramsay forced Alan Walker-Harris into pushing his 20-yard shot around the post, before Dickenson doubled the Magpies advantage when he turned and drove a low shot just inside the near post after cutting in from the right and running along the top of the penalty area.

Little was seen of the Hawks attack in the first-half, and Crittenden almost added a third on halftime but his volley from Dickenson's cross flew wide of the goal.

The hosts changed things around at the break and came out of the blocks quickly and pulled a goal back within four minutes of the restart. Walker-Harris failed to hold Perry Ryan's header which he could only push onto the post, and Ollie Palmer was on hand to thump home the rebound. Just before the hour he levelled the score with a downward header from another Sammy Igoe cross.

This had Dorchester reeling and on 65 minutes the Hawks took the lead when Igoe was on hand to net after Walker-Harris had palmed Scott Jones' angled shot into his path.

Havant continued to lay siege on the visitor's goal and they made the game safe seven minutes from full-time when Ryan Woodford swept home Igoe's pass from the edge of the box.

DORCHESTER TOWN 3 TONBRIDGE ANGELS 1 - ATT: 417

DORCHESTER Town players put the stress of the previous few days behind them and got back to winning ways under the direction of caretaker manager Phil Simkin.

With Ashley Vickers having been relieved of his duties less than 48 hours earlier, Simkin and captain Mark Jermyn had been tasked with leading the Magpies into Saturday's home match with Tonbridge Angels.

In fact Jermyn who had been sidelined for eight weeks with a nasty cruciate knee injury, passed a late fitness test to take his place on the field alongside Nathan Walker in the centre of defence, whilst he was replaced in the dugout by former Terra Gary Borthwick.

The game started at a high tempo with the Angels, with a record for scoring and conceding goals, taking the initiative with Kayne McLaggon testing Magpies keeper Alan Walker-Harris early on with a 20-yard shot which he parried.

However it was Ben Dickenson playing through the middle with Ryan Moss who put the home side ahead after eight minutes with a stupendous goal. Picking the ball up on the halfway line, he moved forward before crashing a terrific 35-yard shot past Angel's keeper Lee Worgan who was almost rooted to the spot.

Four minutes later he was involved in Dorchester's second goal, his corner kick being headed home by Moss from close range.

Tonbridge however were not prepared to lie down, and they twice struck the outside of the woodwork as they went looking to reduce the deficit; McLaggon and Frannie Collin the two unlucky players.

However McLaggon was rewarded for his efforts on 26 minutes when he blasted his shot beyond the advancing Walker-Harris after he had been put in on goal by Collin.

Walker-Harris who was later named Man-of-the-Match then produced two excellent saves both from Collin to allow the Magpies to go in at the interval in the lead.

Despite having to survive a barrage of long throws from one of the Angels players, Dorchester kept their opponents at bay as they pressed for an equaliser, although they had a lucky let off on 76 minutes when Lee Browning somehow struck the post from close in when it looked easier to score, and seven minutes later when he did get it right, Walker-Harris made a superb save from him.

Moss made it a rewarding start for Simkin a minute from time when he smashed home the rebound after Dickenson's shot had come back off the crossbar.

Reed strike keeps Terras run going

WEYMOUTH 1 OXFORD CITY 0 - ATT: 622

WEYMOUTH continued their recent good form with a battling win over fourth placed Oxford City on Tuesday with a 10th minute goal from Stephen Reed.

The Terras midfielder secured all three Evo-Stick Southern Premier Division points with a 25-yard free-kick that took a deflection off the wall to beat City's keeper Jason Mooney.

Weymouth had the better of the opening exchanges and Sam Poole had two chances after Reed's strike but first shot straight at Mooney before firing over from Reed's corner just after.

City looked anything but title contenders and the nearest they came was in first half added time when Nick Jordan playing his first game for the Terras since returning on loan from Dorchester Town due to Tom Manley's unavailability, raced off his line to prevent Steve Basham getting a shot in.

However they had a great chance within a minute of the restart, but once again Jordan thwarted them. This time he smothered the ball at Felipe Barcelos' feet after outwitting him when Ben Gerrig failed to cut out a long punt forward.

Warren Byerley might have sealed the match for the home side but Mooney pushed his shot away after the striker had been set up by sub Jamie Beasley.

In an unusual substitution City withdrew Jamie Heapy for sub keeper Mark Scott, and pushed Mooney into the striker role, but it made no difference as Weymouth held out for the points without too much trouble.

Wells complete double with second half brace

BRIDPORT 2 WELLS CITY 4 - ATT: 87

WELLS City completed the double over Bridport when they scored twice in the second half for victory after the Bees had equalised twice in the first-half.

Although beaten 6-2 in Somerset early on in the season, manager Trevor Senior felt the score did not reflect the game, and was looking to put that right at St Mary's Field.

Bridport opened brightly and Sam Charles hit the post inside two minutes before Tom Richardson saw his header saved, but Wells went ahead with their first attack through Jamie Howson.

Bridport hit back to equalise through Richardson who glanced home Dan Wise's cross, and then laid siege to the visitor's goal forcing six corners in quick succession, but it was Wells that went back in front five minutes before the break with only their second chance of the game.

Joe Charles' miscued a clearing header and only succeeded in playing the ball back into the middle of the goal where Jake Brown scored from 12 yards.

Once again Bridport responded and when Jamie Morgan found Matt Condliffe on the opposite flank with a great ball, the wingback in turn supplied the perfect cross for Sam Charles to score with a downward header.

Wells keeper Owen Dunn denied both Chris Senior and

Condliffe from the rebound with good saves early in the second half before the visitors went ahead again with Brown's second.

They secured the point's midway through the half when Tom Manning was set free after a Bridport attack broke down, and although Darren Lock hit the crossbar late on, Wells completed the double.

Senior said afterwards: "I thought the first-half was as well as we have played all season and we knocked it around well, but once again we have conceded two to go in at 2-2. Both goals were unfortunate; the first was a good goal but from their first attack, and the second Joe Charles didn't clear it as well as he might have done and their guy finished it off, but we scored two to level it up at the break.

"Then having gone 3-2 behind in the second half we were a bit naive, and when Sam Charles lost the ball when it was played up to him we were already in support of him and had gone beyond. As a result there was big hole in the middle and they ran through to score.

"We could learn a lesson from Wells, because when they get their noses in front, and I have played then four times, they are difficult to break down. They get their two banks of four or nine men behind the ball

"We deserved to win the game, but the goals we conceded were avoidable, but we learned from Tuesday to keep our shape better and that stood us in good stead.

Senior has been linked with the vacant manager's job at Dorchester Town following Ashley Vickers sacking last week.

The former Reading striker started his career at the Magpies, and is a favourite with many to become at least part of the management team at The Avenue, but Senior will not be drawn of the subject.

"I've been here before, and every time the jobs available my names been mentioned, but I don't wish to comment at the moment."

Bees show character to take the points

BRIDPORT 3 BRISLINGTON 2 - ATT: 114

BRIDPORT recovered from a two goal deficit to win all three points with a Sam Charles goal, his second of the game, just two minutes from normal time.

The result will be a huge fillip for both manager Trevor Senior and his players who despite some good performances have found the in the Toolstation Western League Premier Division errors are punished, and you must take your chances.

Once again the Bees conceded two goals which could have been avoided, but on this occasion they were able to take three points which puts daylight between them and the bottom two.

Brislington took the lead on seven minutes when the unmarked Jason Hughes had time to pick his spot to head the visitors into the lead from a corner. They doubled their advantage on 25 minutes when Filkins inexplicably let a Mike Rimmer shot slip through his hands and over the line.

Bridport however soon hit back to reduce the deficit following a good four man move that saw Dan Wise put Jamie Morgan in just inside the right hand corner of the penalty box. His low angled drive beat keeper Chris Humphries allowing Sam Charles to slide in and nudge it home.

This gave the Bees confidence and Tom Richardson was unlucky with a superb effort. Receiving the ball on the left corner of the penalty area he turned inside and bent his shot round a defender and Humphries but the ball just went wide of the far post. Then Shane Evans was denied by an excellent acrobatic save from Humphries who tipped his thumping 12-yard header from Wise's corner over the angle of the goal frame.

Bridport had the lion's share of play in the second half and equalised just after the hour when they were awarded a penalty for a handling infringement following an Evans shot and Wise confidently sent the keeper the wrong way from the spot.

Bridport were indebted to Filkins for keeping them level with two excellent saves before sub Michael Hailu almost scored on his debut with four minutes remaining.

Darren Watts who had replaced Morgan on the hour hit a thunderous drive from 30-yards that smacked against the crossbar before bouncing down and hitting Humphries on the back. The ball rolled across the face of the goal where Hailu sidefooted the ball towards goal only for a defender to produce a superb sliding clearance to put the ball for a corner.

However Bridport got the winner they deserved for their endeavour just two minutes from time when a long ball from Joe Charles put his brother Sam in behind the Briz defence and he deftly lobbed the advancing Humphries to score in the corner.

BRIDPORT showed why they remain unbeaten this season by recovering from a 1-3 deficit to force a draw with Weymouth.

through Freddy Valinski, the home team found themselves 1-2 down at the interval.

An own goal increased the visitors lead, but instead of folding, Bridport hit back with a series of attacks resulting in two outstanding goals from Callan Laydon to draw level. Bridport felt they were denied a penalty when the tricky Valinski was bundled over and with Sam Handyside also a threat, Weymouth were glad to return home with a point.

Bees looking for the final ball

PARLEY 2 BRIDPORT RESERVES 1

ONCE again Bridport Reserves came away with nothing in a game they deserved something.

Joint manager Steve Crabb said: "So often this season we have just failed to turn our superiority into wins, which is disappointing. Defensively we are very solid and don't concede too many, whilst our strikers work very hard without success.

"I think our problem stems from our decision making, and choosing the wrong option in the final third, and that is something we need to address because we are playing some good football without getting results."

He added: "I feel sorry for Jamie Fry because he has been on the losing side three times in a row now and hasn't made a mistake.

"Our defenders Paul Fellows, Ashley Clarke and Adam Sturdy were very solid and worked hard, and restricted Parley to their two chances, both of which they took very well, and one other shot which Jamie dealt with well.

"We had 60 per cent of the possession on Saturday yet lost. We've set our sights high this season after a good one last year, but perhaps we should accept sometimes that a draw is a good result."

Parley took the lead when Michael Laronde headed home from a good cross midway through the first half, although Tristan Gale was unlucky with a 30-yard shot at goal with the keeper out of position that was kicked off the line.

Adam Steele restored parity though on the hour, before Gale was unlucky with a shot that brought a great save from the Parley gloveman.

The hosts won the game however with a fabulous goal from Tobias Holmes that would grace almost any ground. Collecting the ball on the halfway line, he backheeled it and took the return before playing a couple of one-two's as he skipped through the Bees defence to fire past Fry.

Crabb said: "It was a great goal, but really only their second chance on goal which is disappointing. I'm convinced our luck will change soon however because we are playing good football."

■ BRIDPORT Third's produced the result of the day by beating 11 Signal Regiment FC 3-2.

The soldiers from Blandford Army Camp had won all their six Dorset League Division Two matches this season, but a brace from Jack Scovell and one from Chris Symes destroyed that record.

Brackley end Terras unbeaten run

WEYMOUTH 0 BRACKLEY TOWN 1
Att - 542

DESPITE a scintillating display by Nick Jordan, Brackley ended Weymouth's four match unbeaten run with a solid and comprehensive display at the Bob Lucas Stadium.

The Terras went in to the match fresh from back to back victories over Evo-stick Southern Premier league leaders AFC Totton in the FA Trophy, and a narrow victory over fourth placed Oxford City on Tuesday, and must have been relishing the chance to make progress up the league against Brackley Town, who were sixth.

However they were in for a surprise as the well organised visitors who had not conceded a goal in their previous five games, restricted the Terras attacks to few chances, whilst at the other end keeper Jordan gave a masterful display as he repelled the

Brackley forwards almost single handedly.

Both sides started brightly, but slowly Brackley took control and Elliot Sandy went close on two occasions; Jordan doing well with his first shot whilst his second cleared the bar.

The Weymouth defence came under further pressure as Jordan's save from Steve Diggins fell to Tom Winters whose shot struck the crossbar, but it wasn't long before they scored the goal their pressure deserved. A hopeful punt forward was controlled by Diggin who turned Jamie Framp-ton before squaring to the far post where Sandy had an easy task from three yards.

Jordan came to the rescue

again soon after, denying Owen Storey with another super save, whilst at the other end only a Stephen Reed free kick tested visiting keeper Paul Walker.

Although Weymouth improved after the break they hardly put the Brackley defence under scrutiny with a Sam Malsom shot their best effort, whilst Jordan was forced into action again near the end by saving well from Jefferson Louis and Winters to keep the Terras in the game.

Manager Brendon King was pleased with his sides second half performance and admitted that Jordan had kept them in the game with some outstanding saves before the break.

Despite the defeat he hoped

the fans could see how much the team had improved of late.

"Brackley are a very experienced side, and had not conceded in the previous five games. However we have given them a good game and lost by a single goal, whereas earlier in the season that might have been three or four."

◆ It is reported that Nick Jordan has decided to stay at Weymouth at least until the end of his contract and fight for his place.

The former Crawley Town stopped had joined Dorchester Town on loan for a month, but spent most of the time injured having been knocked off his pushbike.

In the meantime Tom Manley who was unable to force his way into the team because of Jordan's good form, stepped up in his absence and produced several top

class performances.

Since his return Jordan has played in the last two games due to Manley's unavailability against Oxford City, and

through suspension against Brackley Town, and shown in his displays that has set King a pleasant headache as to who to play.
